

Reasons to Date a Woman with High Standards

A woman with high standards is a woman who knows what she wants. When she sets the bar for who she chooses to be with, it doesn't mean that she's immediately a red-heeled tigress who eats men's souls for lunch. Standards are relative, and this woman, in her confident smile and intriguing sensibilities, simply knows exactly what she's looking for.

She is any lady who knows how and when to compromise, but doesn't take less than what she knows she deserves. She's honest, open, and admittedly at times, too-wide eyed: There will be always a point when she hopes to marry into real-life royalty, but at the end of the day she just wants a prince who'll help with the dishes in a cozy home.

She isn't afraid to venture out, but won't think twice about staying within her familiar haunts when she feels like it. She can either actively look for love or simply choose to sit in a coffee shop without even trying.

However she does it, the point is that she won't just date anyone (unlike before), because now, she knows better. Yes, she may have been hurt before, and she has also made mistakes, but haven't we all?

A woman with standards knows that the person who's worth her time will understand her worth, and treat her right. She is someone who has confidence and ambition, and while at times she may question her own abilities, she never fails to go beyond her insecurities when it truly counts. She doesn't stand at the sidelines watching life pass her by; she jumps right in the flow and expects whomever she chooses to be with to do the same. She understands that a partner isn't the person to fix her, but someone who can help her smoothen out her edges while celebrating her identity, and vice versa.

In the same vein, a woman with high standards for her future partner sets even higher ones for herself.

She knows that she has to bring something to the table. She isn't looking for someone too handsome, or too rich, or too smart. She's looking for one who can match her in every possible way. That's where her standards for both herself and her man are coming from; the definite desire to find that one soul excited about the same worthwhile life she has dreamed of. At the end of the day, it's not really about high standards, just values.

So yes, date a woman with standards. Date a woman who knows her worth, because finding someone who can stand on her own means being with someone who can stand with you.
