For the purposes of this Legal Notice, Users are those persons accessing the Web Site and/or sending a request or email to the Web Site or completing a Web Site form or registration process.

2. OBJECT

This Legal Notice contains all the terms and conditions which regulate: a), the access, navigation and use of the Web Site; b) the responsibilities arising from use of the Web Site and the provision of and/or contracting of products or services which may be offered through the Web Site; and c), the provision and use of Web Site content. Notwithstanding anything herein, the foregoing is without prejudice to the fact that the Entity may establish specific case-by-case conditions which regulate the use, provision and/or contracting of products or services which are offered to Users through the Web Site. In any case, those specific conditions will form an integral part of this Legal Notice.

Committing any single act among the following will imply the acceptance without reservation of each and every one of the

rules found in this Legal Notice and will be taken as consideration on the part of the User: accessing the Web Site, filling out forms through the Web Site, sending requests for information or complaints, contracting offers, responding to requests for curriculum vitae and, in general, all acts of a similar nature to those carried out when filling out forms and/or when contacting via email addresses published on the Web Site. You must therefore read and understand the content of this Legal Notice.

Should the use, provision and/or contracting of products or services be offered through the Web Site, the mere fact of being used and/or requested by the User will imply, equally, the acceptance without reservation of the corresponding established specific conditions which will also form an integral part of this Legal Notice.

3. WEBSITE USE AND ACCESS

Access to the Web Site by the Users is free. However, the use, provision and/or contracting of the products and services which may be offered by the Entity may be subject to the previous acceptance of formal requisites such as the filling out of corresponding forms, payment of costs and/or the previous acceptance of specific conditions which apply to the same.

Merely accessing the Web Site does not imply the establishment of any link or commercial relationship between the Entity and the User, except where the appropriate means have been established and the User has previously complied with the requisites which are established.

Information on the Web Site relating to products or services offered by the Entity is solely for information and advertising purposes, unless otherwise stated.

If for the use, provision and/or contracting of a product or service offered through the Web Site, the User is obliged to

Consequently, Users will be responsible for the adequate custody and confidentiality of all identifying data and/or passwords which are given to them by the Entity, and are bound to not allow or facilitate their use by third parties, be it temporarily or permanently, nor to provide access to others. The use and/or contracting of products or services by illegitimate third parties acquired due to a negligent use or misuse of a password given to a third party and/or the loss of the password by the User will be entirely the responsibility of the User.

Furthermore, it is the User's duty to immediately notify the Entity of any circumstances which may lead to the improper use of identifying data and/or passwords, such as theft, loss or non-authorized access, so that the Entity can proceed with immediate cancellation. Without limitation to any other provision hereof, for the duration of any such period during which any such circumstances are not communicated to the Entity, the Entity will be exempt from any responsibility which could derive from the improper use of the identifying data or use or misuse of passwords by third parties.

In all cases, the access, navigation and use of the Web Site, and the use or contracting of the services or products offered through the Web Site, is the sole and exclusive responsibility of the User. The User is therefore bound to diligently and faithfully observe any additional instructions given by the Entity or by the Entity's authorized employees in relation to the Web Site's use and its contents.
