Monthly Horoscopes March 2023

Introduction

In surfing terms March is the 'bomb' for 2023 with two major planets changing Zodiac Signs – Pluto in to Aquarius (March 23) and Saturn in to Pisces (March 3). So let's be prepared to ride the waves, the big ones. Listen to Stephanies Podcast on Pluto in Aquarius (Episode 50) and Saturn in Pisces (Episode 67) for more information about these changes. And lets see what Your Stars have in store for you in March.
