

Idris Elba Wife Tests Positive for Coronavirus ... Tested With No Symptoms

Idris Elba's wife just told **Oprah** she tested positive for the coronavirus, and it raises the issue that people are talking about from The White House to Hollywood – how are these tests being distributed?

Sabrina Dhowre told Oprah she's been by Idris' side the whole time, and that's not going to change. She said it's a wife's instinct to be with her husband when he's down, and that's just what she did.

Sabrina says she doesn't have any symptoms ... nevertheless, she got the test.

Dr. Anthony Fauci, the leading infectious disease specialist on The White House Coronavirus Task Force, urged people as late as Saturday not to get tested if they are asymptomatic.

It's unclear how celebrities and professional athletes are **getting hold** of these tests, but clearly they are.

Dhowre told O, "we're asymptomatic" ... meaning Idris, who's also positive, is not showing symptoms as well. As we reported, he **also got tested**.
